SOUTH ELGIN TO ALGONQUIN BIKE RIDE

SUNDAY, Aug. 8

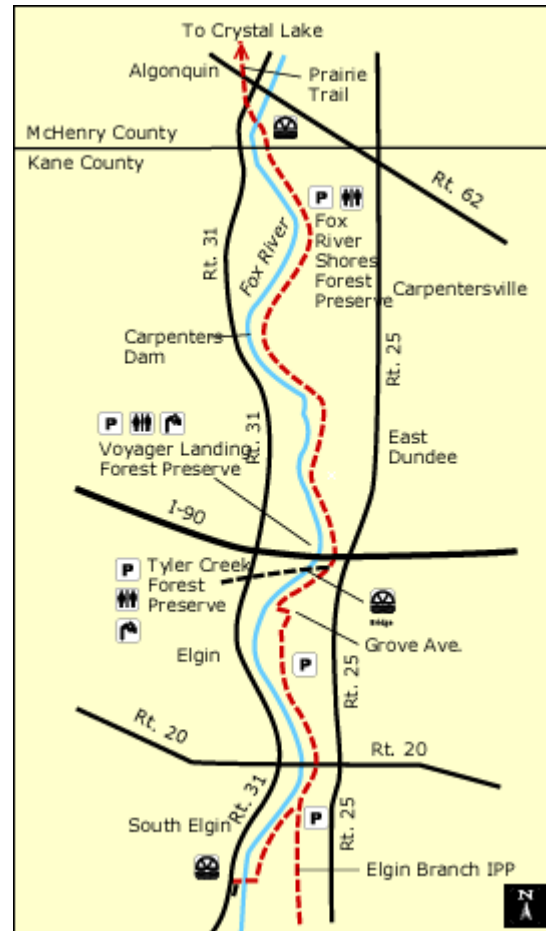

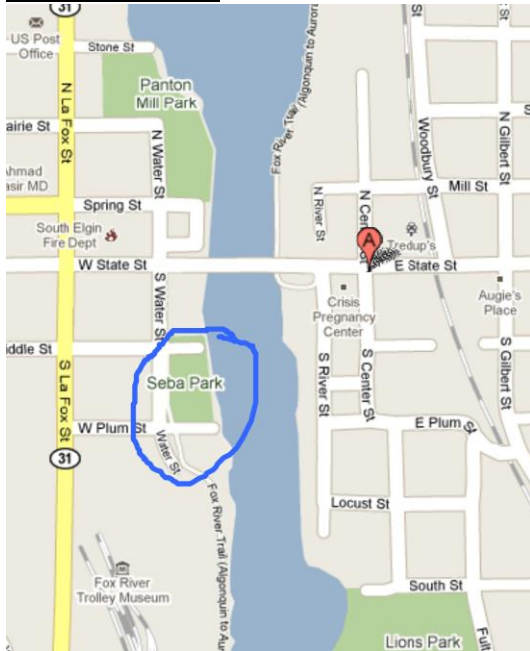

FOX RIVER TRAIL, NORTH

Starting in South Elgin we'll ride north to Algonquin passing through Elgin, East Dundee, Carpentersville, and some pleasant riverside scenery along the way. We'll turn around in Algonquin and ride back to East Dundee for a stop at Bandito Barney's to get a bite to eat and some liquid refreshment. There's a DQ there, too. After that, back to South Elgin. This ride will come in somewhere around 30 miles altogether.

10:00 AM

We meet at SEBA Park / County Park at the end of Water Street (west bank) in South Elgin, just south of the State Street Bridge.

10:30 We ride!

How do I get to South Elgin? Take IL route 59 and turn west at West Bartlett Road which becomes Middle Street west of IL 25. You can also take IL route 25 or Dunham Rd. to Middle Street and go west into South Elgin. Drive into S. Elgin on Middle, turn right at Gilbert for a block and then left at State. Cross the bridge and take the first left, Water Street.
