Meet in Port Washington

Friday Evening, July 23

Port Washington is a lovely little harbor town

30 Miles North of Milwaukee

Friday night, July 23 – Drive up, check out the town, relax and have dinner on your own or meet up with others staying that night. Information about a group dinner reservation will be disseminated about a week prior to the trip. Be sure to let us know if you would like to be included.

Saturday, July 24 – Bikers leave from the hotel at 10:00 am and bike 15 miles on the scenic Ozaukee Trail to historic Cedarburg, Wisconsin. The trail is paved and mostly flat. We pick up the trail directly behind the hotel, so no driving to the trailhead.

Once we arrive in Cedarburg, you can browse the quaint shops and have lunch on one of the outdoor patios. Cedarburg is listed on the National Register of historic places so there is plenty to see and explore. Get more information at www.cedarburg.org. Afterward, bike the 15 miles back to Port Washington. Take a swim in the pool, walk along the harbor in town or have a drink on the hotel patio.

Saturday Night – Kenny Loggins will be performing at the Washington County Fair in West Bend, Wisconsin about 18 miles away. Bring your lawn chair or a blanket; we can carpool to the fairgrounds. Ticket price and start time has not been announced yet. There are other things to see and do as well as other music to listen to. Last year the cost was \$10 which included admission to the fair and the concert. **We had a blast – despite some threatening weather!!**

You can spend another night in Port Washington or drive back to Chicago.

This year we are adding an option to stop in Milwaukee on the way home Sunday to enjoy a Brewers game. Cost is approximately \$20 per person. Debbie will be ordering tickets May 28. If you are interested, let her know prior to the order date.

The club will not be making hotel reservations, paying for meals, or arranging transportation.

We have a block of non-smoking rooms available at the Holiday Inn Harbor View in Port Washington. The hotel is nice and located in the heart of town, right on the lake. Indoor swimming pool, hot tub, lounge, outdoor patio restaurant, and free parking for hotel guests. **The hotel will be holding the rooms and guarantees the rate until July 2. After that, the rooms will be released and rates/availability is not guaranteed. You may cancel your reservation up to 6pm on the day of your arrival with no penalty.**
