DEADLINES APPROACHING FOR MIDWEST BUS TRIPS / IF YOU WAIT, IT'LL BE TOO LATE

If you're THINKING about going on these trips, why not sign up at the next meeting? Give Greg a call for the Sundown/Chestnut trip. Or, Dennis a call for the Granite Peak trip. Why are these Midwest bus trips important? They may be the first trip a new member takes. This is how we build our membership, and keep the club alive and thriving. Of course, we need the veteran members on the bus, too. Besides, they're FUN. You still have time to sign up, but do it quick!

BROOKFIELD ZOO MAGIC

by Jan Sebastian

*'Twas the 3rd of December
And all through the zoo
All the creatures were stirring
Including the emu.*

*The lights had been hung
on the trees with such care
In hopes that the ski club
soon would be there.*

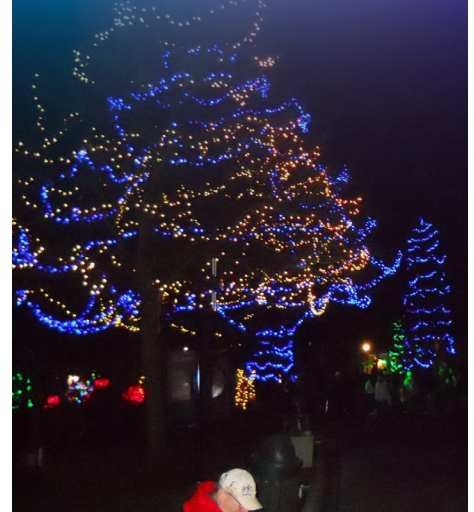

*When what to my wondering
eyes should appear
But fourteen club members
all filled with good cheer.*

*We sang with the carolers,
We sang to the bears,
We sang to the tigers,
And the lions in their lairs.*

*We saw million of lights
Festooned on the trees.
We ate hot dogs and pizza
Or whatever you please.*

*We saw carvings in ice,
We saw laser light shows,
And as the rain increased,
We got ready to go.*

*And as we departed
And left such a sight,
We exclaimed to each other
What a wonderful night!*
